6. How did you involve members in carrying out your plan?

7. In what way did you work with other ministry leaders, during this quarter?

In order to have a successful Kingdom Building Ministry, all leaders must step up and lead in all areas. I encourage you to trust the Holy Spirit within you and have confidence in His presence and power in your life, to bring forth the ability that's within to fulfill the purposes and plans necessary to bring change in the life of those in whom you are now responsible for developing and serving with. It is important that we all reach our goals, and maximize our potential in extending Christ's kingdom here on earth. What a privilege we have to serve in His stead leading others, and making leaders to edify the Body of Christ.
